

# Dirt Made My Lunch

by the Banana Slug String Band

## CHORUS:

Dirt made my lunch,  
Dirt made my lunch.  
Thank you Dirt, thanks a bunch,  
For my salad, my sandwich  
My milk and my munch 'cause  
Dirt, you made my lunch.

Dirt is a word that we often use,  
When we're talkin' about the earth beneath our shoes.  
It's a place where plants can sink their toes;  
In a little while a garden grows.

## CHORUS

A farmer's plow will tickle the ground,  
You know the earth has laughed when wheat is found.  
The grain is taken and flour is ground,  
For making a sandwich to munch on down.

## CHORUS

A stubby green beard grows upon the land,  
Out of the soil the grass will stand.  
But under hoof it must bow,  
For making milk by way of a cow.
